

Dear Colleagues,

In preparation for the May 2025 Annual Meeting at the The Fairmont Queen Elizabeth in Montreal, Quebec there is a tremendous opportunity for sponsorship of our meeting. It is our pleasure to invite your institution or special group to support and participate this year.

With the theme of **“Meeting Challenges Together, in Our Communities and Nations,”** the Annual Meeting exposure that sponsors will have **extends over the live meeting, social events and the live streaming.** We are truly grateful for your contributions last year and want to build on that success to feature our sponsors across all of the meeting and on demand content throughout the year.

We want to continue the tradition of celebrating our mentors, Program Directors or Chiefs, and practice leaders. Your support of APSA is a chance to showcase your institution, practice/group or children’s hospital.

**Please help us reach the appropriate marketing and communications officer** in your institution or practice to encourage them to join the leading children’s institutions and groups for sponsorship.
